One Line Valentine

In the spirit of Cupid, Efrem compiles a list of the greatest one-liners to woo anyone this Valentine's day...

Efrem brushing up on his poetry.

Who is Cupid?

Although some texts make Cupid seem careless, he was generally viewed as helpful, on account of the happiness he brought to others.

At the worst he was considered mischievous in his matchmaking, this mischief often directed by his mother, Venus.

This month, I will be your Cupid. I have compiled a list of the best pick-up lines which are 100% guaranteed to make some matches this Valentine's Day and bring happiness to others...

From Paris With Love

Fall in love with travelling...

Efrem's set up for his dinner with Rahwa.

Paris, France is undoubtedly the most famous city for love - and rightly so!

This Valentine's day, thousands of couples will be exploring the city's romantic aura by enjoying a delicious meal at the Jules Verne restaurant located conveniently in the heart of the Eiffel Tower.

The endless angelic views await you and your lover for an evening stroll around the city while the city sparkles from all the lit up monuments.

Not only is the capital of France the perfect location to celebrate your love for others, but a paradise for art, music and poetry.

Fair Verona

Verona is also an exiting city full of fun and adventures to have, whilst you learn about the history and architecture at the same time!

As well as this, there are beautiful restaurants to visit that are perfect if you want to take your special someone on a luxurious Valentine's meal.

This is one of the many reasons why you should visit Verona during the Valentine's season!

HEADLINE NEWS

One Line Valentine

In the spirit of Cupid, Efrem compiles a list of the greatest one-liners to woo anyone this Valentine's day...

Cupid's best pick-up lines:

- ♥ If I could rearrange the alphabet, I'd put U and I together.
- ♥ Are you tired? Because you've been running through my mind all day.
- ♥ Do you have a library card? Because I'd like to take you out.
- ♥ If you were fruit, you'd be a fineapple.
- ♥ Your hand looks heavy, can I hold it for you?
- ♥ Hi, I just wanted to thank you for the gift...I've been wearing this smile ever since you gave it to me.
- ♥ I'm not a photographer, but I can definitely picture us together.
- ♥ Are you an appendix? Because I don't understand how you work, but this feeling in my stomach makes me want to take you out.
- ♥ I would never play hide and seek with you. Someone like you would be impossible to find.
- ♥ I always thought happiness started with an H, but it turns out mine starts with U.

Barima: Not too impressed by Efrem's readings.

Valentine's Wishes

Rahwa speaks to Year 7 about their big plans for Valentine's day.

As Valentine's day gets closer, I spoke to a few people about what they are doing for Valentine's day and how they may be celebrating.

I spoke to **Damien** from Year 7 and he told me that he bought chocolates for his Mum.

In Year 7, I also spoke to **Dexter** who told me that he bought a small box of chocolates for his family.

I also spoke to **Jordan** in Year 7 and he told me that he was going to try to be nice and compliment people, as well as going out for dinner with his family.

In addition I also asked them about what Valentine's day means to them. They told me that: 'Valentine's Day is a day of love and giving to those you love'.

I spoke to a few other people and they told me that they bought the schools Valentine's gift for two of their friends as a nice surprise.

Valentine's Gifts

Megan assures us that there was no expense spared for this year's present ideas!

The much desired Milk Tray...

With Valentine's day approaching and love in the air, we thought we would look into some perfect ideas for the spectacular February 14th.

Looking for a gift for that special someone?

Nothing beats the classic flowers and milk tray. What's not to love? However, the no.1 suggested gift for Valentine's day is a huge giant teddy, for comfort all year round.

Looking for something straight from the heart?

To show someone true love, nothing is better than a heartfelt card.

Spending Valentine's day alone?

Sling on some pyjamas, slap on a face mask, light some candles - and you're all set! The only person you need is yourself!

Got a Valentine?

Great! Spend time this year showing your partner how much they mean to you.
